## about me

My name is Gayle DelVecchia-Coulombe, and I have worked at the Orange County Sportsplex, in the KidsPlex department, for over 12 years! I am the Director of Children's Programming, as well as the Assistant General Manager.

I graduated from Elon University with a Bachelor's Degree in Elementary Education and more recently, I graduated from NC State University with an MBA. **Go, Wolfpack!**

In my free time, I enjoy traveling with my husband, playing tennis, going on walks with our Great Dane fur-babies (Athena & Zeus), baking, and working out (BodyPump at the Sportsplex is the best)!
