

# Meet the TEACHER

*hello!* about me

My name is Shelly, and I am thrilled to be your teacher for the 2-year-old class this year! I am looking forward to a fun-filled year of exploration and learning together.

I'm a wife and the proud mom of two amazing children, along with two lively dogs that keep our household busy! Since graduating from Northern Vermont University, I've dedicated my career to education in both public and private settings. To enhance my teaching skills, I continued my education at WPU, focusing on K-12 Education and Special Education.

I have participated in additional training through DPI, where I learned innovative approaches to "learning through play" in Early Childhood Education. This hands-on approach is a true passion of mine, and I have seen firsthand how effective it is in helping young children learn and grow.

I can't wait to share all the exciting activities and experiences this class has to offer your little one! Here's to a fantastic school year ahead!
